

ATTENTION UTD STUDENTS

SAP CERTIFICATION TERP 10, Business Processes in ERP (Associate Level)

Do you want to be part of *state-of-the-art training and earn SAP Certification?*

- WHAT:** **SAP Certification – TERP 10, Integrated Business Processes in ERP.**
A special two-week SAP Certification Academy will be offered by SAP America & the University of Texas @ Dallas School of Management. SAP America will provide SAP Certified faculty to teach the SAP Certification training and administer the SAP Certification Exam.
- GOALS:** **The SAP Certification Academy will prepare you to:**
- Enhance your understanding of integration and system navigation in the SAP R/3 system.
 - Explain how the fundamental business processes interact with mySAP ERP in the areas of Sales Order Management, Material and Production Planning, Procurement, Inventory Management, Project Management, Plant Maintenance, Human Capital Management, Financial Management, and Management Accounting.
 - Perform the integrated logistics and financial processes in R/3 Enterprise, and the use of analytical components in Business Warehouse.
 - Perform the core business R/3 transactions in the functional areas of Sales and Distribution, Production Planning, Procurement, Human Resources, Financials, and Controlling.
